

MOBILE 101

How do I text in requests and messages?

If you are a first time user you will need to text the keyword **AMP** to **78910**. (\$0.50 per txt). This will set up your mobile to send requests to the station.

The following mobile networks support this mobile service.

- ↻ Bell
- ↻ Bell Aliant
- ↻ Fido
- ↻ Koodo
- ↻ MTS Allstream
- ↻ NorthernTel
- ↻ PC Mobile
- ↻ Petro Canada
- ↻ Rogers Wireless
- ↻ SaskTel Mobility
- ↻ Télébec Mobilité
- ↻ TELUS Mobility
- ↻ Virgin Mobile

How much does it cost when I text you?

Your mobile network operator will apply a **\$0.50** network fee for each text message you send in to us. Standard message and data rates may apply to receive text messages from us. Please ensure you have the bill payers consent to text in.

How do I exit from receiving texts?

To exit , or chill, from any service just text **STOP** to **78910**. (\$0.50/ msg). To text another NewCap Radio station you will also need to send STOP then that stations advertised keyword.

I have another question can you help?
